## *Southern Gospel Singing*

### *Biography*

My goal in life is to see Souls Saved and that hearts are changed. I was born and raised in Charleston, WV. We went to many Revivals, Camp Meetings, Bible Studies, and Singings up to the age of 13. Then we moved to Akron Ohio area. Then still continued to go to different churches, singings and always active in church. I have been raised in church all of my life, and I have my mother to thank for the great heritage that she has given to me. I hit a point in my life where I went in my own direction. I thought that the grass was greener on the other side, but found out that it is not. I then met my wife, after marriage we settled into the Ravenna, Ohio area, where we started our family. We now have 2 beautiful boys, who are now young men. Currently I have recorded a family CD titled "Above All" and also released a Solo titled "He Touched ME" that was released middle 2006. Currently, I am in the process of starting a new project as well as a video. In preparing for Ministry, I have already completed 2 yrs. of Theology class. As I am traveling and singing more, the Lord has called and anointed me and as I go and sing, as the song is being sung the anointing is released to touch according to God's will. As the Lord directs, I will go. A Special Thank You to Dr. Faron Cole for his friendship as well as his mentorship. Above All I want to Thank the Awsome God that I serve and I do it all for him. Always Remember, Sin will take you further than you want to go, and keep you longer than you will want to stay. The Lord will take you, where you need to go, and keep you just long enough.
